

AGN. NO. ____

MOTION BY SUPERVISOR GLORIA MOLINA

August 7, 2012

As part of their 2012-2013 Fiscal Year budget proposal, the City of Pomona recommended the closure of the Pomona Library for one year beginning August 2012. Subsequently, the City elected to drastically reduce the Pomona Library's operating budget in lieu of closure. In order to continue providing services with this limited budget, the Pomona Library will implement organizational changes to streamline public and administrative services.

To assist the Pomona Library, the County of Los Angeles Public Library is recommending a short-term lease of three self-check units, no longer in use or needed for Public Library operations at this time, to the City. Self-check units increase efficiencies by automating the check-out of books and materials, a process that will minimize the impact on public services while the City of Pomona reorganizes the library system.
